Engineer Report: Vincent Paczek, Township Engineer gave an update on the Ashtola Gravity Sewer Extension (see attached). Discussion was held on investigation of sanitary system flows to WAA Interceptor on Jackson Ave. It is recommended by the engineers to utilize three flow meters to narrow down and quantify the source of any inflow and infiltration in the Paint Township Sanitary Sewer System that could be contributing to the excessive flows into the WAA's interceptor sewer on Jackson Ave. It is recommended to proceed with a data delivery service rental agreement with Hach for either, 6 months at a cost of \$22,050.00 or 12 months at a cost of \$29,520.00. It is also recommended that the EADS Group install and remove the flow meters at an estimated price of \$2,000.00 instead of Hach's proposed price of \$2,500.00 for the installation only listed in the agreement. Paczek stated that two meters would be installed in the Rummel (north), Ramblin Hill's areas and one meter would be installed further up Graham Avenue in the Rummel area. The board discussed sending out letters to homeowners in these areas notifying them that township will be monitoring the inflow and infiltration and requesting them to make sure nothing on their properties were contributing to the excess I&I. M. Gyurik of Jackson Ave. (Windber Borough) asked why the township would give a heads up to the property owners that I&I monitoring will be conducted. After discussion the township agreed not to notify the residence of the upcoming I&I monitoring. It was moved by Zeglin and seconded by Wright to enter into the 12 month rental agreement with Hach at a cost of \$29,520.00 and to have the EADS Group install and remove the meters at an estimated cost of \$2,000.00. Roll Call: Zeglin - yes; Eash - absent; Wright - yes. Paczek gave an update on the stormwater issue in the Paint Borough/Paint Township areas of Poplar Street. Paczek stated that Paint Borough is looking at a redesign of the stormwater grate. Paczek stated that he is encouraging all the residents in Paint Borough to complete the income surveys the Somerset County Redevelopment Authority sent out to qualify for grant funding for the project.

Purchase Orders: None.

Open Forum: M. Gyurik of Jackson Ave. (Windber Borough) held discussion with the board regarding the storm water problem in the areas of Village and Horner Streets and Jackson Ave. M. Gyurik stated that when he attended a Windber Borough Council meeting and at that meeting Attorney Green indicated that when he spoke to Attorney Stofko he was unaware of the letter that the township received from Attorney Leventry who represents M. Gyurik regarding the stormwater problem in the Jackson Avenue area of Windber Borough. Zeglin stated that he did not speak directly to Attorney Stofko; but the letter received from Attorney Leventry was forwarded to Attorney Stofko. M. Gyurik stated that the township engineer answered his questions regarding an update on the installation of flow meters.

John Kolson Jr. of 906 Poplar Street held discussion with the board regarding a proposed street named Jefferson Street. The street has been unimproved for decades. J. Kolson would like to build a permanent structure (garage) on the proposed street. He would like to know from the township how to proceed with getting permission/and or ownership of the proposed street. The board stated that Paint Township does not have ownership of the proposed street. This is an issue that Kolson would have to research and discuss with his attorney.

M. Peters of 524 Dark Shade Drive held discussion with the board regarding providing police service. Peters is requesting police protection. He would like an answer to this question and requested to know what progress the township has made regarding purchase of service. Zeglin held discussion with Peters and stated that he (Zeglin) would have an answer for Peters by the next township meeting which will be on October 1, at 3:30 pm. Peters also held discussion with the board regarding the Elk Resources Coal Operation and their hours of operation. Peters stated that the coal company begins work before 6:30 am and it is very frustrating for the residents in the area. Wright stated that the "normal" hours of operation are 6:30 am until 4:00 pm. Wright will be contacting the Elk Resources Coal Company on this complaint.

J. Rugg also held discussion with the board regarding police services perhaps part time.

Open Forum: The board held discussion with Karen Zelenski of 500 Spring Street regarding the Elk Resources mining operation located on Dark Shade Drive and the surrounding neighborhood of the Spring Hill Development. K. Zelenski questioned the board as to how much one neighborhood should have to take regarding mining operations? The neighborhoods experience blasting, noise, dust, water runoff and hours of operation. K. Zelenski stated that she wanted everyone to know that she is not opposed to coal operations. Her family was in the coal industry. K. Zelenski asked if the township could pass an ordinance prohibiting coal activity. R. Shaffer who resides in the Spring Hill Development also expressed his concerns with the mining activity. K. Zelenski requested to know if the township has been notified by DEP that a mining permit has been applied for in regards to another mining operation in the Camp Drive area? The board stated that the township has not been notified by DEP. K. Zelenski stated that she received this information from a reliable source. Wright stated that the board will discuss the issue of an ordinance with Attorney Dennis Stofko.

M. Gyurik of Jackson Ave. (Windber Borough) held discussion with the board regarding an update on the installation of flow meters to monitor the storm water in the areas of Village and Horner Streets and Jackson Ave. Zeglin stated that the township does not have an update at this time. The EADS Group is currently working on preparing a cost for flow meters.

Zeglin stated that the township has received the names of three engineering firms that may be able to

Minutes: September 3, 2019 3:30 pm

The meeting was called to order by Chairman Zeglin at 6:35 pm who led in the "Pledge of Allegiance". Other board members present were Eash and Wright. Others present, Kim McKinney, Office Clerk. The visitor list is attached.

Minutes: It was moved by Wright and seconded by Eash to accept the minutes of the August 6, 2019 meeting as presented. Roll Call: Eash – yes; Wright – yes; Zeglin – yes.

Bills: The bill list was read aloud by McKinney. Zeglin asked if there were any questions regarding the bill list. It was moved by Wright and seconded by Eash to pay the bills as presented. Roll Call: Eash – yes; Wright – yes; Zeglin – yes.

Old Business: Zeglin read the financials for the month of July. It was moved by Wright to accept the financials. Zeglin seconded the motion. Roll Call: Wright – yes; Zeglin – yes; Eash – yes.

New Business: Eash made a motion to hire a third party to review the Eads Group plans for phase III of Ramblin' Hills Development. It was seconded by Wright that they are in agreement to follow through with that motion. Roll Call: Zeglin – yes; Eash – yes; Wright – yes.

Jerry Thomas spoke. He thanked the Board for the approval of Megan Place Adjacent to Winchester Estates of Windber.

Purchase Orders: There were no purchase orders.

Open Forum: Mark Gyurik of 2805 Jackson Avenue spoke regarding the rain issues this past July 5th and 7th on Jackson Avenue, Windber Boro. The residents are experiencing sewage in their basements and on the streets. Manhole covers are popping because of the pressure being created by what he feels is inadequate storm water control in the Ramblin' Hills Estates. He also supplied various pictures to the Board of his complaints. He revisited the August 8, 2005 and May 31, 2006 events when 4 feet of raw sewage affected ten homes resulting in a law suit of over a quarter of a million dollars. Vinnie Paczek of the Eads Group spoke with Mark about what he knew of the phase II project. He stated that phase III has retentions ponds in the plans and along with phase III they will also look back on phase II to determine if any revisions will be made along with phase III.

Jim Serrian of 2900 Jackson Avenue spoke regarding the same issues as Mr. Gyurik. He was concerned with phase I and phase II being brought up to date in the phase III approval. Paczek advised that in accordance with Act 167 it will be covered.

Mark Gyurik was concerned that the third party that will be reviewing phase III may not be thorough enough. Jerry Thomas then spoke assuring that he felt they would be as they are putting their names on that plan as well.

Mike Peters spoke regarding the lack of police protection in Paint Township. His concerns are that there are random people trolling the area selling steak products; ATV riders are ripping up resident's yards. The Pennsylvania State Police were called regarding the ATV riders and residents were advised by PSP to

contact their respective home owner's insurance companies. Wright explained that after a police department is disbanded a minimum of five years must pass before a department may be brought back up. Peters questioned the validity of this requirement as to whether it was a Paint Township requirement or other entity. Wright assured Peters it was not a Township regulation, but Pennsylvania Law. Peters then insisted that purchase of service be looked into as there have been recent robberies and a homicide in the Township. Zeglin spoke with Peters about what they can look into regarding purchase of service and stated he has no problem approaching Windber Boro Police Department to discuss the matter as he is in agreement with Peters.

George Guaetta of 824 Berkey Road spoke of storm water from the July 7, 2019 storm. He indicated that he called the Township regarding replacement of three pipes on Berkey Road. He inquired as to when two other pipes would be replaced and wanted to thank the road crew for the replacement of one of the pipes stating they did a great job.

Jerry Thomas had a question regarding a tax assessment office error in connection with the Eash Subdivision Plan. A small strip of land (44 feet) was given out and no record of this since 1963. Jerry will revise sub-division plan. Supervisor Eash advised there would be no additional fee for this revision.

John Rugg stated that he has applied for his NPDES permit for Winchester Estates storm water control and he should be receiving his authorization letter within the next five to ten days.

Todd Bostock of 125 Meadow Lane is having an issue with his neighbors Tom and Courtney Harr. The HARRS' own a St. Bernard and one other large breed dog that they allow to run loose. The dogs continually run onto Todd's property leaving large deposits of dog feces. Todd has requested that Tom Harr keep his dogs retained on his own property to no avail. The last dispute ended with Tom Harr threatening that he will shoot Todd. Todd is also concerned about the lack of a township police department.

Vinnie Paczek offered some information on Weaver Run flooding issues. There are three culverts under private roads. The Township does not have any contributing factors on this problem. He stated that this is more of a private/state issue and DEP should be notified. Flow meters were discussed regarding the Jackson Avenue issues. A minimum of 2 meters would be required; however three would be recommended. Paczek did check into the cost of each and it would be 895.00 a month for one meter or 1325.00 if you rented it for three months. This charge includes service of meters.

Correspondence: Wright read the correspondence. The letter from DEP indicated that the investigation into the Poplar Street water issue is closed. No further action can be required on the Township's part, but the Township will contact Paint Boro to try to resolve the problem. Zeglin explained the Army Corp project to the attendees to address why we have no authority to address the problem. DEP is basically "washing their hands of it".

Adjournment: It was moved by Wright and seconded by Eash to adjourn the meeting. Meeting adjourned at 7:55 pm Roll Call: Eash – yes; Wright – yes; Zeglin – yes.

Next Township meeting is scheduled for Tuesday, September 3, 2019 at 3:30 pm.
