Hoffman stated that the road paving crew disconnected his storm drain and did not reconnect the pipe into the culvert. Gordon stated that she is receiving storm water in an excessive amount since the road project. Gordon respectfully requested that a curb be put in to keep the storm water from entering her yard. The township will look into both complaints. The township will look into the Hoffman complaint and if the drainage pipe has not been reconnected the township will reconnect the pipe in the township R.O.W. only.
